

Math Reasoning

Name: Amy Reeves
 Date: 6/25/07

	Test	Stan. Sc.	Scale Sc.	Crit. Ref. Sc.	Informal Assessment/Comments
Math Reasoning	WJ III - Applied Problems, Quantita	104			
	WIAT II - Math Reasoning	98			
Gf					
Gc					
Gsm					
Gv					
Gq					
Reading Fluency	GORT - 4 Fluency		8		
Quantitative Reasoning/Problem Solving					
Uses whole numbers to identify quantities					
Uses grids/graphs					
Tells time					
Solves problems using money					
Calculates after applying order/operation					
Create/solve add/subtract. problems					
Creates and solves problems using fractions					
Other:					
Patterns, Relationships, Algebraic Thinking					
Square Root					
Solves algebraic equations					
Uses patterns to solve problems					
Other:					
Geometry and Spatial Reasoning					
Uses geometric/spacial reasoning					
Uses Basic Geometry					
Other:					
Measurement					
Uses standard units to solve problems					
Uses nonstandard units to solve problems					
Other:					
Probability/Statistics					
Uses probability to draw conclusions					
Other:
